The Most Tax-Friendly State In The Country

[www.century21bhj.com](http://www.century21bhj.com)

Bloomberg Wealth Management Magazine just named Wyoming "The Most Tax-Friendly State in the country!" While Wyoming is known for its tax benefits, did you know that while you're saving your tax money, you could also be checking out all the fun (and often free) things Wyoming has to offer as well? From the mountains and creeks to the art galleries and restaurants, there's something for everyone in Wyoming.

The Wyoming lifestyle is laid back, but the real estate market is hot! Want to learn how to stretch your hard-earned dollars better than ever? Read on below to learn why residents love living in Wyoming.

## Top 10 Ways Wyoming Invests In Its Residents

- No Taxes on Real Estate Sales
- No State Income Taxes
- Administer a Dynasty Trust to Protect Your Assets
- No Tax On Out-of-State Retirement Income
- No State Gift Taxes
- No Inheritance or Estate Taxes
- Low Property Tax Rates
- No Excise Taxes
- No Tax on Mineral Rights
- No Taxes on Stocks or Bonds
