Upon sale or other transfer of any ownership interest in any Residential Unit, the ownership of the membership in the Association and the said power to vote shall be deemed for all purposes as having been transferred to the person or other entity having acquired such ownership interest in proportion thereto.

such other terms and provisions as the Board of Directors shall determine from time to time, and which
such persons or business entities may, but need not, be persons or business entities owning or otherwise
directly or indirectly interested in the Property or any part thereof. The Association shall also have power
to itself perform its functions and carry out its duties, but shall itself do so only to the extent and so long
as the performance pursuant to agreements as aforesaid shall not be reasonably feasible. The Board may
engage the services of any agent to manage the Property to the extent deemed advisable by the Board and
the Board may retain the services of an accountant and attorney.

landscaping, structures and facilities for the supply of water, gas, telephone, cable TV, electricity,
including vehicular right of ways and yard lighting, removal of sewage, storm water management, and

be obligated and responsible there for in any case in which the Association shall fail so to do.

the funds furnished to it by them for such purpose, all taxes and other governmental impositions levied
upon any part thereof except for personal property and real estate taxes on individual residential units.

3.03. The Association shall determine the need for and carry out or cause to be performed all
maintenance of the exterior of the Residential Units, including without limitation, painting, staining and
tuck pointing thereof at such intervals as shall be prudent, as well as the maintenance, repair and

improvement and repair of the grounds and landscaping of the Residential Units situated outside the
exterior walls thereof excluding personal plantings.

3.04. The Association shall determine the need for and carry out or cause to be performed all
such maintenance and repair of all exterior surfaces of the Residential Units and of all water, sewer, gas
and electric, telephone, cable television, television antenna and transformer lines and meters incorporated
in or forming a part of the Residential Units as originally constructed and serving more than one unit, not
including, however, the maintenance or repair of any furnaces, air conditioning units, water heaters,
stoves, refrigerators, washing machines, or household appliances. The Association shall have such right
of access to the Residential Units as may be necessary to carry out the purpose in Section 3.03 and 3.04.

3.05. The Association shall also carry out or cause to be performed or provided in or about the
Property all such additional functions in the nature of maintenance, improvements, repairs and services
and other facilities for the use and benefit of the Property and its inhabitants generally as shall be
determined by its Board of Directors from time to time; and in the case of such other functions which
said Board of Directors may determine as are not provided for in Sections 3.01 through 3.04 hereof, said Board of Directors shall also have power to impose upon the individuals actually using or benefitting therefrom such additional charges for the use thereof as said Board of Directors shall from time to time deem appropriate.

3.06 To the extent that the use of separate lines or meters therefor shall be impractical or uneconomic, the Association shall have the right to draw water, gas or electricity from individual Residential Units as required for the efficient performance of its duties hereunder, upon making such equitable arrangements as it Board of Directors shall determine to adjust for any unequal distribution among all the Residential Owners of the cost thereof. Such uses may include but not be limited to the operation of sprinkling system and lighting.

3.07. The Association may enter into agreements with other lot owners within the Eagle Summit addition not subject to this Declaration for the maintenance and/or repair of lots or dwellings on a contractual basis.

4.01. In the event the Property or any part thereof or any of the Residential Units thereon shall be damaged or destroyed by fire, other casualty or any other cause or event whatsoever, the Owners of the property so damaged or destroyed shall cause it to be repaired, restored or rebuilt, as the case may be, as rapidly as reasonably possible to the condition in which such property was immediately prior to such damage or destruction, subject only to the right of the Association (which is hereby granted to the Association to authorize and direct such different action as shall be recommended by the Board of Directors and approved by the affirmative vote of members entitled to vote not less than two-thirds (2/3) of all the votes which share holders or members of the Association shall then be entitled to vote.)

4.02. All repair, restoration or rebuilding pursuant to the provisions of this Article Five shall
be carried out under such supervision and direction as the Board of Directors of the Association shall
decide appropriate in order to assure the expeditious and correct completion of work concerned, and the
owner or owners of each Residential Unit which shall have been damaged or destroyed shall fully
cooperate with, and abide by all instructions and directions of the Association in connection therewith.

4.03. Without limitation, the Association is hereby given and shall have power to select or
approve the architects, contractors and sub-contractors to be employed in connection with such repair,
restoration or rebuilding; to select a single contractor or contractors to perform all various parts of the
work to be done upon the Residential Units which shall have been damaged or destroyed by such
casualty or other happening; to coordinate the progress of the work among such various Residential
Units, and to hold the proceeds of any insurance which may be payable on account of such casualty or
other happening and to control the disbursement thereof in such manner as to assure the sufficiency of
funds for the completion of said work or for any other proper purpose.

4.04. In any case in which the owner or owners of the Residential Units concerned shall fail to
carry out and see to the repair, restoration or rebuilding by the provisions of this Article Five, or shall
request the Association to carry out and see to such repair, restoration or rebuilding, and in any case in
which more than one contiguous Residential Unit shall be involved the Association shall carry out and
see to the repair, restoration or rebuilding required by the provisions of this Article Five.

4.05. Each Residential Owner shall maintain in force at all times insurance covering the
Residential Unit owned by him, consisting of, or providing all the protection afforded by, at least the
insurance now generally described as fire, extended coverage, additional extended coverage, vandalism
and malicious mischief, to 100% of the full insurable value thereof, with loss payable on the basis of the
cost of replacement without deduction for depreciation. Each Residential Owner shall also maintain in
force such insurance protecting the Association from loss, damage, express or liability resulting directly
or indirectly from any act or omission of such Residential Owner or any employer, agent, representative,
guest or invitee of such Residential Owner as the Association shall by rule or regulation require from
time to time, provide, however, that no such rule or regulation shall require the obtaining of any
insurance of any type not then issued by responsible insurance companies regularly doing business in the
State of Wyoming.

4.06. All insurance required to be maintained by any Residential Owner shall be issued by
companies authorized to issue such policies in the State of Wyoming, shall name the Association as an
additional insured and shall provide that all proceeds becoming payable on account of loss or damage to
such Residential Unit shall be payable to or as directed by the Association, subject only to the rights,
limited as herein provided, of any mortgagee for value of the premises. The policies themselves or
appropriate certificates showing the evidence of such insurance shall be furnished to the Association, and
new policies or certificates evidencing the renewal of each expiring policy of insurance shall be
furnished to the Association in each case at least 10 days prior to the expiration date of the expiring
insurance.

4.07. The Association and its officers, directors, employees, agents and representatives shall
have no liability to any Residential Owner for damage or loss of either the Residential Unit of such
owner or any personal property of said Owner. Each insurer of any said Residential Owner's interest in
said Residential Unit or personal property shall be bound by the provisions of this Section 4.07 and shall,
by appropriate provision in each policy of insurance concerned, waive all its rights or subrogation against
the Association and its officers, directors, employees, agents and representatives.

4.08. Whenever the Association shall not be satisfied that any insurance required by this
Article Four is in force, or if about to expire will not be renewed prior to expiration, the Association shall
have the right (but shall not be required) to proceed to obtain such insurance or such lesser coverage as it
may deem advisable, and the cost thereof shall be due from the owner of the Residential Unit so insured
to the Association forthwith upon demand.

12
4.09. In the event that the Association finds it possible from time to time to effect broader or better coverage at lesser cost, by the obtaining of a blanket policy or policies of insurance upon all the Residential Units in the Property, the Association shall have and is hereby granted power so to do at the election of its Board of Directors; and the Residential Owner of each Residential Unit so covered shall accept and pay a proportionate share of the cost of such insurance, whether by regular assessment or otherwise, in lieu of providing and paying for the individual policies of insurance hereinabove provided for.

4.10. In any case in which insurance proceeds shall not be paid or payable on account of any damage to or destruction of any Residential Unit, or shall be inadequate to fully cover the cost of repair, restoration or rebuilding which the Association is by the provisions of this Article Four required to carry out, the cost of such repair, restoration or rebuilding in excess of the amount of insurance proceeds available shall be borne and paid for by the Association, unless it shall be determined in accordance with the provisions of this Declaration that such loss or damage is not to be repaired or restored, but without diminishing or in any way affecting any rights of recovery thereof which the Association may have by law against any person or persons who shall be directly or indirectly responsible for such damage or destruction by reason of any negligent or wrongful act or omission.

4.11. Notwithstanding anything to the contrary herein contained, the obligations of the Association under the provisions of this Article Four shall be limited to the repair, restoration and rebuilding of any loss, damage or destruction to or of so much of the Residential Units as constitutes structure or improvement upon the real estate, and the Association shall not be responsible for repair, restoration or replacement of any personal property of the Residential Owner or others which, although in or about the Residential Units, shall not be attached thereto so as to form an affixed part thereof.

4.12. The Association may, but shall not be required to, obtain and maintain additional insurance as its Board of Directors shall from time to time deem prudent with respect to damage to or of
any or all of the Residential Units, or to or of any other tangible or intangible assets owned by the
Association or for which the Association may have responsibility from time to time, from any cause, and
may also obtain such liability and other kinds of insurance protection against such other matters or
happenings as its Board of Directors shall from time to time deem prudent.

4.13. Notwithstanding the foregoing, to the extent required by the terms of any mortgage for
value of any part of the Property, the proceeds of any insurance becoming payable on account of any loss
of or damage to the part of the Property so mortgaged shall be paid first to such mortgagee to the extent
of its interest; provided, however, that such mortgagee shall not apply or seek to apply such proceeds to
reduce such mortgage except for any excess of such proceeds over the full cost of such repair or
restoration, unless it shall be determined in accordance with the provisions of this Declaration that such
loss or damage is not to be repaired or restored.

ARTICLE FIVE

5.01. Until all of the various Residential Units (including such additional lots and Residential
Units that may become subject to this Declaration) shall have been conveyed by Developer to the
Residential Owners thereof (or to such Residential Owner's nominee) the Developer shall, with respect to
each such unsold Residential Unit, have the rights, and fulfill all the obligations, herein granted to or
placed upon the Residential Owners, including, without limitation, the right to control the Association
and to control all matters upon which the members are entitled to vote. If the Developer so elects, it may
turn over control of the Association at an earlier time.

5.02. Until the Association shall have been organized i.e. within thirty (30) days from the date
the last Residential Unit has been conveyed to the Residential Owner or his nominee, and shall have
assumed its duties and powers, the Developer shall have all the rights, powers, duties and obligations
herein granted to or imposed upon the Association and shall be authorized and empowered to take all
such actions as the Board of Directors of the Association would have been authorized and empowered to
take if the organization of the Association had then been completed. If the Developer so elects, it may
turn over control of the Association at an earlier time.

5.03. The powers granted to Developer by Section 5.02 hereof shall include, without
limitation, the power to assess upon and collect from the individual Residential Owners, their respective
proportionate shares of the funds required for the carrying out of all the duties and obligations of the
Association, except only that the Developer shall not obtain by means of any such assessment,
reimbursement for any of the costs of the construction of any of the Residential Units or of the original
improvement to which it shall be the obligation of the Developer to provide at its cost.

5.04. The Developer may engage an initial professional management organization under a
contract expiring not more than one (1) year after the Association is given over to individual unit owners.
So long as the Developer and/or the initial management organization, shall exercise the rights, powers,
duties and obligations of the Association, those provisions contained herein which refer to snow removal
and landscaping shall not include the patios and walkways between the garages and the Residential
Units.

Developer shall have, and there is hereby reserved, the right to place thereon one or more mortgages
upon any part or parts of the Property to secure such loan or loans of funds as the Developer may obtain
from time to time. It shall be the obligation of the Developer to see to the timely release of each and all of
such mortgages, and by its execution of this Declaration the said Developer shall be deemed conclusively
to have bound and obligated itself thereto.

6.02. Each Residential Owner shall have, and is hereby granted, the right to place from time to

time upon the Residential Unit owned by him first mortgages securing loans made to him or for his
benefit by financial institutions regularly engaged in the business of making first mortgage loans upon
real estate situated in the City of Buffalo, Wyoming.

6.03. For all the purposes of this Declaration, the term "mortgage" shall mean and include
mortgages, Developer deeds and other documents in the nature of mortgages.

ARTICLE SEVEN

PLACEMENT OF PARTY AND OTHER WALLS

7.01. It is contemplated that each of the Residential Units shall have one or more party walls,
each connecting it with others of the Residential Units in the building or buildings. It is intended that
each party wall shall be erected upon the lot line between the Residential Units concerned and that each
non-party exterior wall of each Residential Unit shall be erected wholly within such Residential Unit, but
it is recognized that errors may occur in the actual placement of said walls during the course of
construction. It is further contemplated that certain patios, balconies and privacy walls of Residential
Units and that certain eaves of Residential Units and certain lighting fixtures on exterior walls as
constructed shall encroach on the Common Areas. Whenever any party wall or privacy wall of any
Residential Unit shall be found to be not precisely upon the lot line intended and whenever any wall or
eave or lighting fixture of any Residential Unit shall be found to encroach (whether by intention or
mistake), valid easements for the maintenance of all such encroachments as described herein are hereby
established by virtue of the provisions hereof and shall exist for the benefit of such Unit so encroaching
so long as the patio, balcony eave, wall or lighting fixture concerned shall remain standing. Further, and
without limitation of the foregoing, the legal description of the Residential Units concerned may be
changed or amended, and the owner of each parcel concerned shall without further consideration execute
and deliver all such conveyances as may be necessary or appropriate, so as to place the lot line concerned
directly underneath such party wall or entirely outside such wall in the case of encroachment of any wall

time be available.

The Association shall have the authority to execute leases up to one (1) year, regardless of the amount owed, and such leases shall be binding upon the Residential Owner. But in no case shall the duration of any single lease or renting agreement of such Residential Unit entered into by the Association be for more than one (1) year at a time.

8.05. After payment or provision for all costs, and expenses of such renting or leasing, the net proceeds thereof shall be applied in the following manner:

(a) The Association shall have the right but shall not be obligated to apply so much of the proceeds of such renting or leasing as the Association shall deem prudent toward the payment or provision for payment of real estate taxes and assessment and/or payments upon any mortgage levied upon or being a lien upon such Residential Unit and being or becoming due during the term of such lease or renting agreement.

(b) To payment of all the sums owed by such Residential Owner to the Association together with interest thereon and the costs and expenses (including reasonable attorney’s fees) of any action or suit maintained by the Association in order to obtain possession of such Residential Unit and any other expenses incurred by the Association in connection with this matter, whether suit has occurred or not.

(c) After the making of the foregoing payments, the balance, if any, shall be paid to such Residential Owner.
