RE: Spear-O-Wigwam Ranch National Register of Historic Places Nomination

I am pleased to inform you that the National Park Service has formally listed the Spear-O-Wigwam Ranch in the National Register of Historic Places. The National Register is the nation's official list of historic properties worthy of preservation. Listing in the National Register provides recognition of the property's historic significance. It does not restrict the rights of the private property owner to use, develop, maintain, or sell the property.

If you have any questions concerning this matter, please do not hesitate to call me at 307-777-8594.

Sincerely,

Brian Beadles  
Historic Preservation Specialist
