Re: Permit No. U.W. 216436 (Ferro No 1)

Dear Joseph:

The required forms relative to the above referenced Ground Water Permit have been made a matter of record. A valid water right has been established and completed under this Permit.

Information related to your water right is available in e-Permit, the SEO's electronic water rights data base. Copies of the recorded forms are available on our website. You may view the recorded forms and water right details online at [seo.wyo.gov](http://seo.wyo.gov) by selecting e-Permit.

Instructions on how to search e-Permit are available by selecting the Ground Water Tab, then selecting "Applications, Forms and Instructions" at the above mentioned website.

It is the permittee's responsibility to ensure a valid address and phone number is maintained with the State Engineer's Office (SEO), to receive any future communication related to this water right.

If you have any questions, please contact the Ground Water Division at (307) 777-6163.

Sincerely,

Ground Water Division
